### Professional Memberships

American Society of Landscape Architects

**D**oug has 14 years of professional experience working closely with owners, architects, engineers and general contractors to successfully design and manage all phases of academic, athletic and commercial projects. He is well trained in Auto CAD, and is knowledgeable in Civil 3D, Hydro CAD and 3D modeling software.

Prior to joining Warner Larson, Doug worked as a project manager for multidisciplinary firms where he developed a strong understanding of civil engineering and site planning. He applies this expertise to create sensible and functional site designs. Doug is adept in analyzing sites for development potential, along with assessing and evaluating clients' program and financial objectives.

A member of the ASLA, Doug received a Bachelor of Science in Environmental Design from the University of Massachusetts.

**Warner Larson** is an award winning landscape architectural firm integrating comprehensive site design, engineering and permitting services for academic institutions, athletic facilities, parks & playgrounds, commercial developments and residential projects throughout Greater Boston and New England.
