Jon Pate's professional experience spans over 15 years in commercial, residential, and institutional projects. His creative vision and construction knowledge have played an instrumental role at college campuses, primary and secondary schools, retirement communities and healthcare gardens. Jon is a key team member on designing energy-efficient and sustainable landscapes that create engaging places.

His responsibilities include project management, the preparation of design studies, construction documents, specifications and construction observation.

Jon has lectured on landscape design for retirement communities and healing gardens. He recently attended the following conferences:

- Smart and Sustainable Campuses; National Association of College and University Business Officers
- Environmental Landscape Design; Morris Arboretum

Jon has an active community involvement with the following organizations:

- South End Land Trust
- Community Outreach Group (COG Design)
- Friends of Alvah Kittredge Park
- Common Boston

**Warner Larson** is a professional landscape architectural firm integrating comprehensive site design, engineering and permitting services for academic institutions, athletic facilities, parks & playgrounds, commercial developments and residential projects throughout Greater Boston and New England.
