Ti's role at Warner Larson encompasses a wide range of responsibilities including managing the work of multiple projects, providing thoughtful design input in many of the firm's designs, and managing the firm's information technology. He eagerly approaches each project challenge in a thoughtful manner and finds fulfillment and accomplishment in design integrity and client interaction. He possesses a strong proficiency in AutoCAD and graphics software which allows him to be responsive in serving our clients' needs.

A registered landscape architect since 2003, Ti has a diverse professional background that encompasses residential, park and resort work in Southern California as well as urban design, campus planning and commercial developments in New England. Some of his recent project accomplishments include the design and construction administration of Lawrence Veteran's Stadium, planning and permitting several residential and educational projects and currently, he is working on the design and coordination of the Taunton High School and Track and Field projects.

Ti received his Bachelors of Science degree from Ohio State University, graduating Cum Laude in 1998 and has also served as a visiting critic at the Boston Architectural Center. Ti is a LEED Accredited professional, supporting Warner Larson's commitment to sustainable design.

Ti's recent projects include:

- Taunton High School and Track & Field
- Weston Athletic Fields
- Buzzell Field Renovation
- Lawrence Veterans Memorial Stadium Track & Field
- Dedham H.S. Athletic Complex Feasibility Study
- Millis H.S./M.S. Athletic Facility Stud
- Ambrose Elementary School
