Ti's role at Warner Larson includes managing the work of multiple projects as well as designing and providing oversight of a range of projects from schools, to athletic fields, to residential developments. He eagerly approaches each project challenge in a thoughtful manner and finds fulfillment and accomplishment in design integrity, client service and delivering a quality project.

Prior to joining Warner Larson, Ti worked on several urban design, campus planning and commercial developments in New England. This work included design and planning work on the Russia Wharf waterfront development in Downtown Boston and the Broad Canal Riverwalk design in Cambridge near Kendall Square.

Ti received his Bachelors of Science degree from Ohio State University, graduating Cum Laude in 1998 and has also served as a visiting critic at the Boston Architectural College. Ti is a LEED Accredited professional, supporting Warner Larson's commitment to sustainable design.
